À LA CARTE The disciplines of Modern, Tap & Hip Hop may be taken à la carte. The cost of these classes is \$55/session per class. For example, taking Hip Hop and Modern without ballet is \$110 per session (\$55x2). Taking Hip Hop and Modern with ballet (1x per week) is \$115 (\$60+\$55). The small difference in cost to add ballet is to encourage dancers attending FLBA to participate in ballet class(es). Ballet is the foundation of all dance techniques and will enhance a dancers technique tremendously in ALL disciplines. This adds to the quality of our program and makes us stand out above the rest. It also allows for our relatively small dance school to present performances of the highest quality.
